

## *Terms of Use*

*Please be advised that all videos and technical articles on our website are procedure suggestions put forth by their respective authors, and as such it is the responsibility of the practitioner to determine the suitability of a particular procedure. At Sure Dental, we recognize and take seriously our responsibility to replace products if they are proven to be defective. Sure Dental does not, however, accept liability for any damage or loss, either direct or consequential, stemming from the use or misuse of any product we distribute. It is the responsibility of the user to determine the suitability of the product for an intended procedure prior to use. The user assumes all risk and liability in connection therewith. If you have questions, please call us at 1.888.277.2335*
